

## Coach O Black Jack Indoor Track Classic

Coach O is proud to announce the beginning of a new sponsorship with the Black Jack Indoor Track Classic. This Series has been working with athletes participating in track and field indoor events for several years, and the addition of Coach O sponsorship raises the meet to a new level. These events are the “ice-breaker” for the 2014 indoor track season. By joining Coach O with the Black Jack Classic, it will be possible to gain national exposure and introduce more children to indoor track.
